

Mandolin/Fiddle/Tenor Banjo

Find the Chords/Double Stops for the Key of A

I Chord (A)

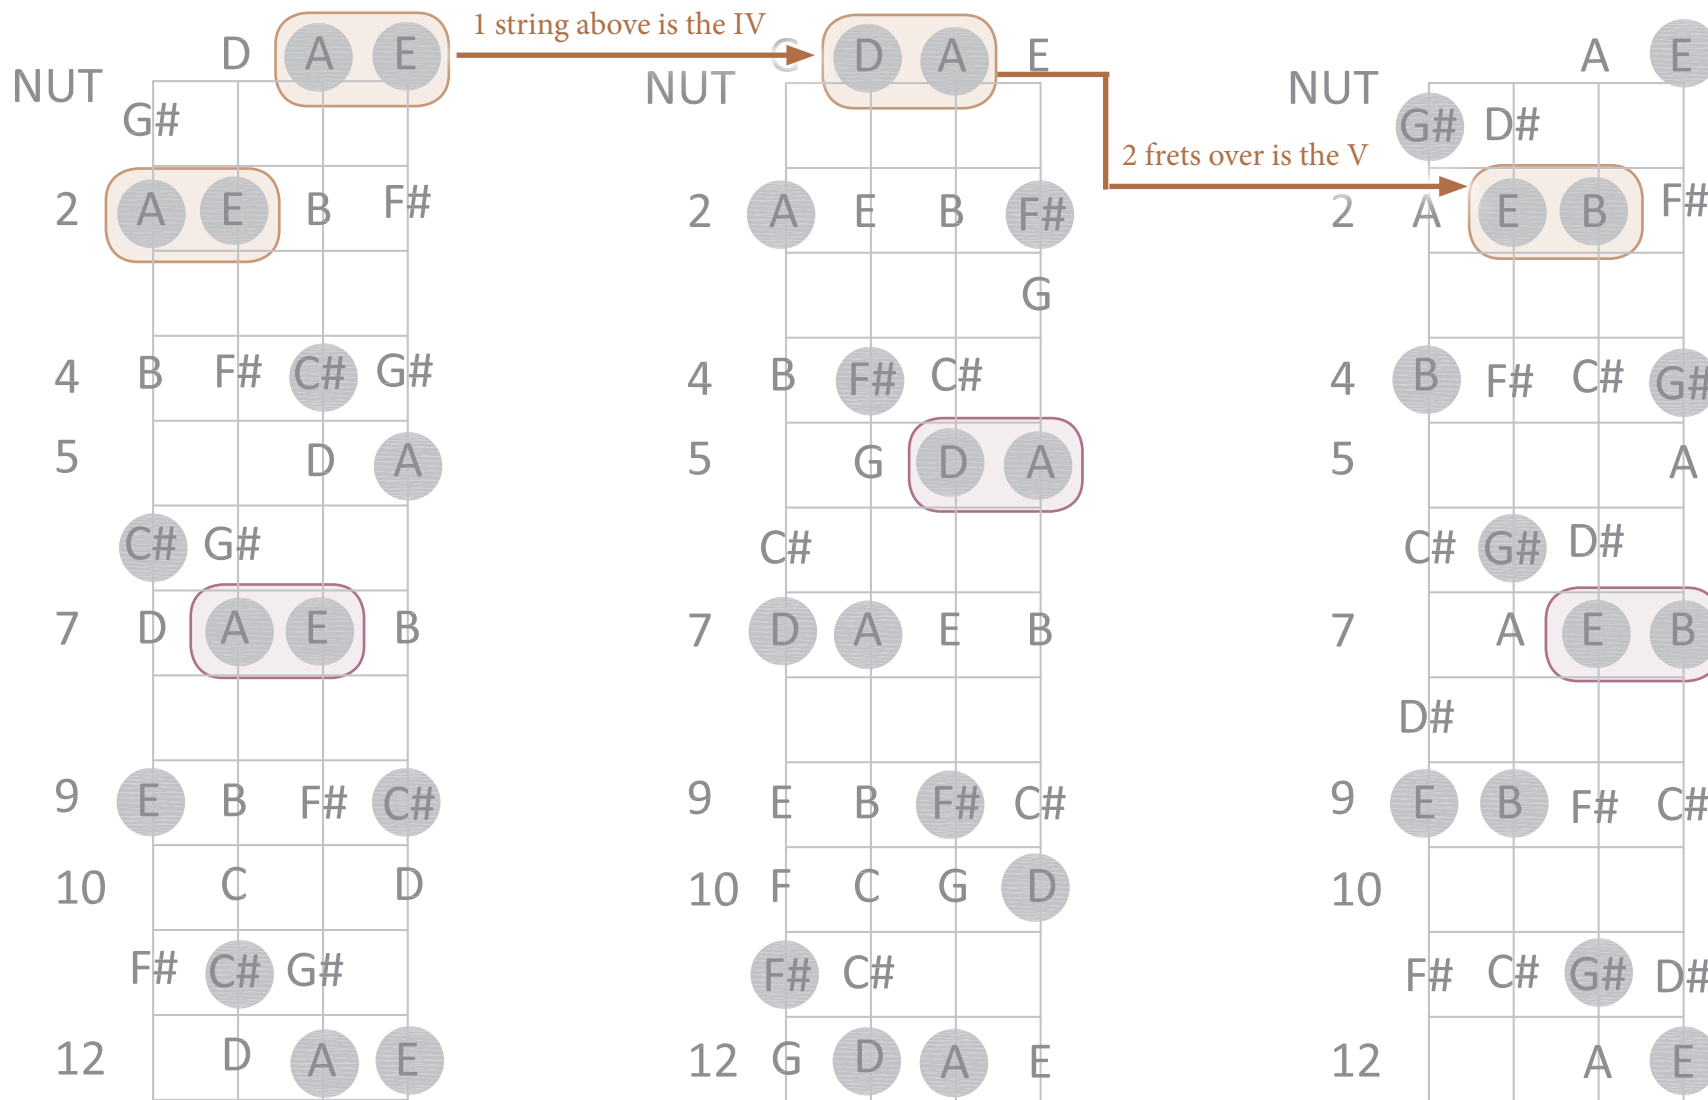

1	2	3	4	5	6	7	8(1)
A	B	C#	D	E	F#	G#	A

IV Chord (D)

1	2	3	4	5	6	7	8(1)
D	E	F#	G	A	B	C#	D

V Chord (E)

1	2	3	4	5	6	7	8(1)
E	F#	G#	A	B	C#	D#	E

Notice these patterns repeat. You can use your understanding of the scale, to find the chords and double-stops. You don't always have to play all three tones of the chord (1, 3, 5). Some times you may want to use the 1 and 3 tones only, or for a minor chord, the 1 and flat 3.
